Keg Programs for Craft Brewers

By partnering with HopGistics, you will benefit from programs tailored to your current and future needs designed to improve the economics of your brewery, provide flexibility for growth, and make your life easier.

Rent to Own

Low monthly payments allow ultimate ownership of your keg fleet without the upfront capital investment. Flexible terms available.

Pay Per Fill

This program outsources keg float management activities to HopGistics, including empty keg retrieval and keg deposits. Your keg expense becomes a true variable expense.

Leasing

Flexible terms allow monthly rental of kegs. HopGistics will customize a program based on your needs and offer a path to ownership.

HopGistics provides comprehensive customized keg management solutions and local support for craft breweries in the southeast. We will work with you to determine the best program for you now and help you plan for the future.

- **Remove the need to own your entire fleet.**
- **Free up capital to improve and grow your business**
- **Use Pay Per Fill to eliminate the headaches of keg retrieval and make your life easier.**
